October Advisory Board Notes 10/20/2016.

DES Report:

- Mike G went over the new monthly reports that can be sent to each station. We went over the format and Mike will start sending out the reports in November to the stations that have sent in email addresses.
- MPS/CAD Software Reassessment:
 - o Some format changes to print outs
 - o MDCs will default to dashboard
 - o You will receive audio feedback to status changes on MDC
 - o We will be able to look up PD rosters again
 - o All AIQ units will be able to be seen
 - o More leeway with self initiated events, but not for high priority incidents
 - o Redundant Statuses removed
 - o You will be able to Clear incidents without adding remarks
 - o There will be an option to enter your staffing levels when going enroute
 - o You can view incidents in the dashboard by proximity and/or filter to district only
- Jack asked if we will be able to look up the dispatcher roster. Beau is looking into it.
- Voice Radio:
 - o Second Touch for portables will be starting back up
 - Will have new batch of collar mics for when second touch is being completed
 - o Working on some reception improvements in Tredyffrin
 - o WCPD is looking to come on the new system
 - o Working with Montco on the interoperability. Montco needs to purchase more licenses for their system to allow our radios on.
- PTSC: Firing range construction has started with dirt being moved.
