## **May Advisory Board Notes 05/07/2020.**

### **DES Report:**

- RIT- 2020 Update in CAD
- Verified Responder – This is being rolled out. Spreadsheets will be sent to the fire stations
- Bypass Command – DES is working on implementing this. Working with 911 center and EMS council
- HazMat – Herb is retiring as of May 8<sup>th</sup> after 44 years of service to the County.
- Paging Outage – Power events at PTSC. High frequency of outages. Needed to transition to the Comm1 and were having trouble getting Paging system up
- Locution – Nothing new at this time

### **Districts:**

- North – Nothing new
- South – Nothing New
- West – Haven't met
- Central – Nothing new
- East – Nothing to report
- EMS – thanks to CCFCA for having a daily call.
- Fire Police – Nothing to report
- Rescue Task Force – tree into a house with collapse and entrapment did meet auto TF dispatch criteria and BJ is working with 911 center to make sure that criteria is reviewed in the future. Comm center had a crazy day.

### **Old Business:**

Staffed/Duty Engine Regional Policies:

- No Additional Information from the districts

Working on different Rescue, Rescue Engine Classifications and Tankers

Strategic Planning Questionnaires – Down to 9 stations at this time. Association members are reaching out to the remaining stations. Questionnaires due by end of May. Will probably do one more push for surveys after the questionnaires. Looking to do June 10<sup>th</sup> for remote public input. Wrapping up hopefully by August.

## **New Business:**

- Nozzle Forward Class Postponed until September
- Scholarships Usually funds come out of the Golf Outing profits. Rob sent out a proposed policy that will be reviewed and to be voted on at June's Association Meeting. Funding is ok this year for a small scholarship.
