

FIRE RELATED DEATH INVESTIGATIONS

CHESTER COUNTY
CORONER'S OFFICE & FIRE MARSHAL'S OFFICE

APRIL 5, 2024 (08:00AM - 05:00PM)

The Chester County Coroner's Office & Fire Marshal's Office are hosting a training on Fire Related Death Investigations. Topics include scene safety, fire scene processing, fire fatality case studies, scene processing & remains removal, and search & rescue. A live demonstration from the Chester County Search & Rescue Dogs will follow the classroom portion. This training is intended for law enforcement, first responders, fire marshals, emergency medical providers, and medicolegal death investigators. Registration is FREE and includes a continental breakfast, boxed lunch, and refreshments. This course is pending approval for EIGHT (8.0) hours by the Pennsylvania State Coroner's Education Board, a provision of act 22, 1988.
Course Approval #2024-XXX.
